IN THE UNITED STATES DISTRICT COURT  
FOR THE MIDDLE DISTRICT OF ALABAMA  
NORTHERN DIVISION

2007 NOV 28 A 11:32

DEBBIE MURPHREE,

DEBRA P. HACKETT, CLK  
U.S. DISTRICT COURT  
MIDDLE DISTRICT ALA

Plaintiff,

vs.

GOVERNOR BOB RILEY,

Defendant.

COMPLAINT

JURISDICTION:

Comes now, Debbie Murphree, by and for herself, as a resident of the State of Alabama, and citizen who lives within the Middle District of Alabama's jurisdiction. Federal Jurisdiction review of this case, is based on violation of my civil and constitutional rights (Alabama Constitution, Section 35) by Governor Bob Riley, in his official capacity.

PLAINTIFF'S NAME AND ADDRESS:

Debbie Murphree, PRO SE  
1981 Amber Rose Drive  
Prattville, Alabama 36067  
334-365-3617

DEFENDANT'S NAME AND ADDRESS:

Governor Bob Riley  
Office of the Governor  
State Capitol  
Montgomery, Alabama 36130

FACTS OF THE CASE

This Complaint is based on the denial of Constitutional Rights of Plaintiff (Debbie Murphree), according to The Alabama Constitution, Section 35, which states, "The sole object and only legitimate end of Government is to protect the citizen in the enjoyment of life, liberty, and property, and when the Government assumes other functions, it is usurpation and oppression."

The facts are that my rights, (in terms of Alabama Constitution, Section 35 Right to Protection) have been violated by Governor Bob Riley, in that the UNTESTED DNA in Death Row Inmate, Thomas Douglas Arthur's case is being withheld and without reason, not being tested. Governor Bob Riley has the power to allow testing of the

DNA, but has refused, allowing this DNA to belong to a MURDERER, unbeknownst to me, and not having been apprehended as of yet, but posing a danger to me, and all Alabamians. There has been no proof or evidence entered on the record, that this DNA belongs to Death Row Inmate, Thomas Douglas Arthur. The testing done thus far, does not indicate Thomas Arthur as a culprit, or suspect, inconclusively. REASONABLE DOUBT EXISTS. The possible culprit/murderer could still be in the public, and could pose a potential and future danger to myself and to the public.

Governor Bob Riley has written to me, through United States Mail, "It is my policy to personally review the facts and circumstances in each capital murder case." (dated September 24, 2007).

and then again, "The evidence is overwhelming that Thomas Arthur is guilty and he will be executed for his crime...It is my intent that, as soon as the stay has expired, justice will be administered to Thomas Arthur." (dated October 4, 2007).

However, Justice cannot be administered to Thomas Arthur until DNA in this case has been

tested, and all doubts removed as to his guilt  
or innocence. ALSO, my rights, as a citizen, to  
be protected (Section 35), and also the "sole  
object and only legitimate end of Government is to  
protect the citizen",  
have been violated without POSITIVE PROOF by DNA  
testing, that THOMAS DOUGLAS ARTHUR, is indeed  
guilty of murder of Troy Wicker. Also, the potential  
of a murderer on the loose, (who could kill again),  
IS GREAT.

**IN CONCLUSION AND REQUEST FOR RELIEF**

Governor Bob Riley has NOT, shown to me, as  
requested, the OVERWHELMING EVIDENCE that Thomas  
Douglas Arthur is GUILTY, and as long as REASONABLE  
DOUBT exists, and DNA TESTING IS NOT CONDUCTED, I  
am being violated for the period of time that DNA  
TESTING IS NOT CONDUCTED. PLEASE ORDER GOVERNOR  
BOB RILEY TO CONDUCT DNA TESTING IN THOMAS ARTHUR'S  
CASE, BEFORE HE IS EXECUTED. His execution date is  
December 6th. 2007.

**RESPECTFULLY SUBMITTED,**
